

# SIQURA™ NeutralX

## BIODEGRADABLE DETERGENT WIPES

### Powerful neutral pH plant based biodegradable detergent wipes

**SIQURA™ NeutralX IS A SPECIFICALLY FORMULATED NEUTRAL DETERGENT CLEANER** designed to clean surfaces and break down proteins, fats, grease and oils that contaminate a surface. NeutralX also breaks down biofilms that form a barrier to effective surface cleaning. NeutralX is SLS, SLES and paraben free and is readily biodegradable, so it's kinder to you and the environment. NeutralX is residue free and is safe to use on most surfaces including aluminium, steel, plastic and fabrics.

**NeutralX Detergent Wipes.** are a Class 1 Medical Device intended for cleaning healthcare surfaces and other Medical Device surfaces.

Powerful pH neutral detergent
